Saturday, March 6th...
9:00am 11:00am Academic Adventure

From the Principal's Desk

Dear Parents,

I hope your conference time with your child's teacher was beneficial. It was nice to see so many of you this week. If you didn't get to conferences it is not to late. Please call the front office to reschedule a time that is convenient to you. As we approach the CRCT, it is important to know what areas that may still need a little support before the big test. At Centerville, we truly see education as a partnership. Let us know how we can help.

We have so many special classes going on right now to support students. Our Running Club is off to a great start, the after school program is going full speed, 5th graders are participating in before school writing, Math Club is getting ready for the Wittzle Pro Tournament, Poetry Club has items posted in the hall, Environmental Club is 50 students strong and our Tech Fair Projects are hung throughout the building. And this just names a few! If your child is interested in a before or after school experience please call the school.

Our School Dance is February 12, beginning at 6:00pm. There will be a live DJ, pizza, soda, and loads of fun. In addition, there will be a "Gold Room". This is a fundraiser for the school. I am sure you have seen advertising offering to buy your broken or unwanted gold. MWGX will be here to evaluate your gold or silver items and pay cash on the spot if you decide you would like to sell your items. The school will receive a percentage based on what is paid out to parents. We have already started this with the staff and have gotten great reviews. This could be a win win for you and the school. Call the front office if you have any questions.

Best Regards,
Mrs. McDermon

Newsworthy Information

Capitol Art Exhibit

Congratulations to Fifth graders Sydney Jackson and Adaria Harris! Their art work was selected to be displayed at the State Capitol! It will be on display along with other student's art work from all over the state from January 30th to February 27th. They also get to go to an artist's reception there on February 10th. Good Job, girls!

Please join us for the next parent session on Thursday, February 18, 2010 from 6:30pm-7:45pm.

How your child uses Successmaker computer program to reinforce Reading and Math skills will be the topic.
