From the Principal's Desk

Dear Parents,

Our school uniform voting has come to an end. We collected ballots the entire month of February. The results were, 389 yes and 69 no. Thank you to all that took the time to express your opinion. Someone on the Local School Council will be calling if you were interested in being on the uniform Committee to help with the next step.

The school dance was a huge success. We had around 450 students and parents attend. If you missed this event, Movie Night is just around the corner, on March 11th. It should be just as much fun. Please consider coming out and enjoying an evening with your child.

Our last Academic Adventure is this Saturday. If you have committed to come, I look forward to seeing you. If you didn't and would like to come and see what it is all about, please come anyway. We would love to have you and your child participate. The parents who have participated are giving the program great reviews.

We are coming into the home stretch as we complete our preparation for the CRCT. There are some great practice tests and ideas on Centerville ES webpage. Just log on to Centervillees.com and then proceed to the parent area on the bottom right hand side. I hope you find it helpful.

Sincerely,
Mrs. McDermon

Newsworthy Information

Reuse-A-Shoe:

**Bring in your old Athletic shoes
March 22 - April 1**

Donate your old athletic shoes to Centerville's Reuse - A - Shoe campaign, and Nike will turn them into sports surfaces such as basketball courts and playgrounds. **Just bring in your old athletic shoes between March 22nd and April 1st.** Any child or adult size running shoe or sneaker is welcome.

Please do not bring the following:

- No shoes containing metal
- No cleats or dress shoes
- No muddy shoes
- No sandals or flip-flops

So go through your closets, dig out those old athletic shoes that aren't being worn anymore, and bring them in to be recycled into new sports surfaces. A collection bin will be just outside the media center.
